

## LIMITED TIME OFFER

### \$20,000 Package Giveaway\*

\*Special terms and conditions apply as follows:

- The \$20,000 Bonus Package Giveaway comprises the supply of 1x E/one pump System to the value of approximately \$10,000 (incl GST – supplied by Ecoflow, excluding installation) and 1x Oderings credit voucher to the value of \$10,000 GST incl.
- This is a limited time offer available until 31<sup>st</sup> March 2025
- Only available sections in our 2nd release Country View are eligible for this promotion.
- A sale and purchase agreement must be signed and dated by all parties by 5pm 31<sup>st</sup> March 2025 to qualify for this promotion.
- The landscape & Ecoflow pump Bonus package giveaway promotion is contingent upon settlement of this agreement; failure to settle or termination voids this promotion.
- The \$20,000 figure is approximate, based on the estimated current supply price of the E/one Pump System. The Purchaser will not be entitled to any difference should the cost of the E/one Pump System be less than \$10,000 incl GST, and the Purchaser shall not be required to pay any extra should the cost be more than \$10,000 incl GST.

#### Ecoflow supply agreement and terms and conditions

- The installation of the E/One Pump is a mandatory requirement for the lot purchased in this promotion.
- The E/One Pump System to the value of approximately \$10,000 incl. GST retail value (CCC council vested version) offer is valid 12 months after the title for Country View 2<sup>nd</sup> release has been issued and will be held for this period. After this period, the owner must contact Ecoflow to seek agreement for an extension to the collection date at an additional cost or can collect and store the system themselves.
- The developer reserves the right to supply the purchaser's name and telephone number to Ecoflow in respect to the supply agreement.
- When a build is started, the owner/builder notifies Ecoflow, and the system is ordered. All variations (e.g. if tank is in a driveway) and costs relating to the installation and related installation components are the responsibility of the owner/builder – including any variations as mentioned above.
- The Sales/Purchases agreement states that this clause is transferable to the new owner should the section be on-sold\*. \*SEL conditions apply. The owner would need to advise Ecoflow if the section is on sold so they have the new owner's details.
- All costs relating to the installation and related installation components are the responsibility of the owner/builder – including any variations as mentioned above.

### **Oderings terms and conditions**
